

Dataquest names ABIBA Systems as BI & Analytics firm to watch out for in 2011

Feb 16, Bangalore, India – Dataquest, India’s leading IT Magazine has listed ABIBA Systems as one of the promising players to watch out for in the Business Intelligence and Analytics space. In its recent issue on Business Intelligence & Analytics, Dataquest conducted an extensive study about the innovations in this space. This study comprehensively talks about vertical specific BI, in memory analytics, Mobile BI, Cloud Computing and challenges posed by traditional BI. Various thought leaders, CXOs shared their insights on the present and the future trends in BI. As a part of this research, Dataquest has listed some prominent companies to watch out for in BI & Analytics based on various parameters. ABIBA Systems was successfully included to this high profile list of the most promising players in BI & Analytics due to its clear focus on both the domain i.e. telecom and technology fronts i.e. BI & Analytics. Other companies in list included biggies such as SAS, IBM, Oracle, SAP, Qliktech etc. The report also went on further to quote ‘ABIBAs emergence as a winner in Red Herring Asia Awards 2010 makes it a company to watch for in 2011’.

About Dataquest & Cybermedia

Dataquest is one of India’s largest selling magazines in the Enterprise IT space from the house of Cybermedia. Cybermedia is the largest specialty media house in South Asia and amongst India's top five magazine publishers. The group has twelve websites led by www.ciol.com, India's largest technology website. Cybermedia Events, the region's largest organizer of IT events, conducts over 100 events every year.
